The Company has decided to take advantage of the notice-and-access model provided for under amendments to National Instrument 54-101 (“Notice and Access”) for the delivery of its Information Circular, the Company’s audited financial statements and the Management’s Discussion & Analysis for the financial year ended December 31, 2015 (collectively, the “Meeting Materials”), to its shareholders in respect of the Meeting.

Under Notice and Access, instead of receiving paper copies of the Information Circular, shareholders will be receiving a notice with information on how they may access the Meeting Materials electronically. However, shareholders will receive a proxy or voting instruction form, as applicable, enabling them to vote at the Meeting. The use of this alternative means of delivery is more environmentally friendly, as it will help reduce paper use and it will also reduce the Company’s printing and mailing costs.

The Meeting Materials will be available on the Company’s website at www.siennaresourcesinc.com as of May 28, 2016 and will remain on the website for one full year thereafter. Meeting materials are also available upon request, **without charge**, by e-mail at john@engcom.ca or by calling toll-free at 1-855-646-6901 (in North America) or at +1-604-646-6900 (outside North America), or can be accessed online on SEDAR at www.sedar.com as of May 20, 2016.

The Company will mail paper copies of the Meeting Materials to those registered and beneficial shareholders who have previously elected to receive paper copies of the Company’s Meeting Materials. All other shareholders will receive a Notice and Access notification, which will contain information on how they may access the Meeting Materials electronically in advance of the Meeting.

The Company’s Board of Directors has fixed May 20, 2016 as the record date for the determination of shareholders entitled to notice of and to vote at the Meeting and at any adjournment or postponement thereof. Each registered shareholder at the close of business on that date is entitled to such notice and to vote at the Meeting in the circumstances set out in the accompanying Information Circular.

Registered shareholders are entitled to vote at the Meeting in person or by proxy. Registered shareholders who are unable to attend the Meeting, or any adjournment thereof, in person, are requested to read, complete, sign and return the form of Proxy accompanying this Notice in accordance with the instructions set out in the form of Proxy and in the Information Circular accompanying this Notice. Unregistered shareholders who received the form of Proxy accompanying this Notice through an intermediary must deliver the Proxy in accordance with the instructions given by such intermediary.

DATED at Vancouver, British Columbia, as of this 20th day of May, 2016.

**INFORMATION CIRCULAR
AS AT AND DATED MAY 20, 2016
(unless otherwise noted)**

INTRODUCTION

This Information Circular accompanies the Notice of Annual General Meeting (the “Notice”) and is furnished to shareholders holding common shares in the capital of Sienna Resources Inc. (the “Company”) in connection with the solicitation by the management of the Company of proxies to be voted at the annual general and special meeting (the “Meeting”) of the shareholders to be held on Thursday, June 30, 2016 at the offices of Clark Wilson LLP, 900 – 885 West Georgia Street, Vancouver, British Columbia at the hour of 10:00 o’clock in the forenoon (Vancouver time), or at any adjournment or postponement thereof.

Date and Currency

The date of this Information Circular is May 20, 2016. Unless otherwise stated, all amounts herein are in Canadian dollars.

PROXIES AND VOTING RIGHTS

Management Solicitation

The solicitation of proxies by the Company will be conducted by mail and may be supplemented by telephone or other personal contact to be made without special compensation by the directors, officers and employees of the Company. The Company does not reimburse shareholders, nominees or agents for costs incurred in obtaining from their principals authorization to execute forms of proxy, except that the Company has requested brokers and nominees who hold stock in their respective names to furnish this proxy material to their customers, and the Company will reimburse such brokers and nominees for their related out of pocket expenses. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Company.

No person has been authorized to give any information or to make any representation other than as contained in this Information Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by the Company. The delivery of this Information Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Information Circular. This Information Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

Notice and Access Process

The Company has decided to use the notice and access model (“Notice and Access”) provided for under recent amendments to NI 54-101 for the delivery of the Information Circular, audited financial statements and Management’s Discussion and Analysis for the financial year ending December 31, 2015 (collectively, the “Meeting Materials”) to shareholders for the Meeting. The Company has adopted this alternative means of delivery in order to further its commitment to environmental sustainability and to reduce its printing and mailing costs.

Under Notice and Access, instead of receiving printed copies of the Meeting Materials, shareholders receive a notice (“Notice”) with information on the Meeting date, location and purpose, as well as information on how they may access the Meeting Materials electronically.

Shareholders with existing instructions on their account to receive printed materials and those shareholders with addresses outside of Canada and the United States will receive a printed copy of the Meeting Materials with the Notice.

Appointment of Proxy

Registered shareholders are entitled to vote at the Meeting. A shareholder is entitled to one vote for each common share that such shareholder holds on the record date of May 20, 2016 on the resolutions to be voted upon at the Meeting, and any other matter to come before the Meeting.

The persons named as proxyholders (the “Designated Persons”) in the enclosed form of proxy are directors and/or officers of the Company.

A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON OR COMPANY (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR OR ON BEHALF OF THAT SHAREHOLDER AT THE MEETING, OTHER THAN THE DESIGNATED PERSONS NAMED IN THE ENCLOSED FORM OF PROXY.

TO EXERCISE THE RIGHT, THE SHAREHOLDER MAY DO SO BY STRIKING OUT THE PRINTED NAMES AND INSERTING THE NAME OF SUCH OTHER PERSON AND, IF DESIRED, AN ALTERNATE TO SUCH PERSON, IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY. SUCH SHAREHOLDER SHOULD NOTIFY THE NOMINEE OF THE APPOINTMENT, OBTAIN THE NOMINEE’S CONSENT TO ACT AS PROXY AND SHOULD PROVIDE INSTRUCTION TO THE NOMINEE ON HOW THE SHAREHOLDER’S SHARES SHOULD BE VOTED. THE NOMINEE SHOULD BRING PERSONAL IDENTIFICATION TO THE MEETING.

In order to be voted, the completed form of proxy must be received by the Company’s registrar and transfer agent, Computershare Investor Services Inc. (the “Transfer Agent”) at their offices located at 100 University Avenue, 9th Floor, Toronto, Ontario M5J 2Y1, by mail or fax, at least 48 hours (excluding Saturdays, Sundays and holidays recognized in the Province of British Columbia) prior to the scheduled time of the Meeting, or any adjournment or postponement thereof.

A proxy may not be valid unless it is dated and signed by the shareholder who is giving it or by that shareholder’s attorney-in-fact duly authorized by that shareholder in writing or, in the case of a corporation, dated and executed by a duly authorized officer or attorney-in-fact for the corporation. If a form of proxy is executed by an attorney-in-fact for an individual shareholder or joint shareholders, or by an officer or attorney-in-fact for a corporate shareholder, the instrument so empowering the officer or attorney-in-fact, as the case may be, or a notarially certified copy thereof, must accompany the form of proxy.

Revocation of Proxies

A shareholder who has given a proxy may revoke it at any time before it is exercised by an instrument in writing: (a) executed by that shareholder or by that shareholder’s attorney-in-fact authorized in writing or, where the shareholder is a corporation, by a duly authorized officer of, or attorney-in-fact for, the corporation; and (b) delivered either: (i) to the Company at the address set forth above, at any time up to and including the last business day preceding the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (ii) to the Chairman of the Meeting prior to the vote on matters covered by the proxy on the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (iii) in any other manner provided by law.

Also, a proxy will automatically be revoked by either: (i) attendance at the Meeting and participation in a poll (ballot) by a shareholder, or (ii) submission of a subsequent proxy in accordance with the foregoing procedures. A revocation of a proxy does not affect any matter on which a vote has been taken prior to any such revocation.

Voting of Common Shares and Proxies and Exercise of Discretion by Designated Persons

A shareholder may indicate the manner in which the Designated Persons are to vote with respect to a matter to be voted upon at the Meeting by marking the appropriate space. If the instructions as to voting indicated in the proxy are certain, the common shares represented by the proxy will be voted or withheld from voting in accordance with the instructions given in the proxy. If the shareholder specifies a choice in the proxy with respect to a matter to be acted upon, then the common shares represented will be voted or withheld from the vote on that matter accordingly. **The common shares represented by a proxy will be voted or withheld from voting in accordance with the instructions of the shareholder on any ballot that may be called for and if the shareholder specifies a choice with respect to any matter to be acted upon, the common shares will be voted accordingly.**

IF NO CHOICE IS SPECIFIED IN THE PROXY WITH RESPECT TO A MATTER TO BE ACTED UPON, THE PROXY CONFERS DISCRETIONARY AUTHORITY WITH RESPECT TO THAT MATTER UPON THE DESIGNATED PERSONS NAMED IN THE FORM OF PROXY. IT IS INTENDED THAT THE DESIGNATED PERSONS WILL VOTE THE COMMON SHARES REPRESENTED BY THE PROXY IN FAVOUR OF EACH MATTER IDENTIFIED IN THE PROXY, INCLUDING THE VOTE FOR SETTING THE NUMBER OF DIRECTORS FOR THE ENSUING YEAR AT FOUR, ELECTING OF THE NOMINEES TO THE COMPANY'S BOARD OF DIRECTORS, FOR THE APPOINTMENT OF THE AUDITORS, FOR THE BOARD OF DIRECTORS TO FIX THE REMUNERATION OF THE AUDITOR, FOR THE APPROVAL OF STOCK OPTION PLAN AND AT THE DESIGNATED PROXYHOLDER'S DISCRETION ON OTHER MATTERS WHICH MAY PROPERLY COME BEFORE THE MEETING.

The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to other matters which may properly come before the Meeting, including any amendments or variations to any matters identified in the Notice, and with respect to other matters which may properly come before the Meeting. At the date of this Information Circular, management of the Company is not aware of any such amendments, variations, or other matters to come before the Meeting.

In the case of abstentions from, or withholding of, the voting of the common shares on any matter, the common shares that are the subject of the abstention or withholding will be counted for determination of a quorum, but will not be counted as affirmative or negative on the matter to be voted upon.

NOTICE TO BENEFICIAL SHAREHOLDERS

The information set out in this section is of significant importance to those shareholders who do not hold shares in their own name. Shareholders who do not hold their shares in their own name (referred to in this Information Circular as "Beneficial Shareholders") should note that only proxies deposited by shareholders whose names appear on the records of the Company as the registered holders of common shares can be recognized and acted upon at the Meeting. If common shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those common shares will not be registered in the shareholder's name on the records of the Company. Such common shares will more likely be registered under the names of the shareholder's broker or an agent of that broker. In the United States, the vast majority of such common shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms). **Beneficial Shareholders should ensure that instructions respecting the voting of their common shares are communicated to the appropriate person well in advance of the Meeting.**

The Company does not have access to names of Beneficial Shareholders. Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their common shares are voted at the Meeting. The form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is similar to the Form of Proxy provided to registered shareholders by the Company. However, its purpose is limited to instructing the registered shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("Broadridge") in the United States and in Canada. Broadridge typically prepares a special voting instruction form, mails this form to the Beneficial Shareholders and asks for appropriate instructions regarding the voting of common shares to be voted at the Meeting. Beneficial Shareholders are requested to complete and return the voting instructions to Broadridge by mail or facsimile. Alternatively, Beneficial Shareholders can call a toll-free number and access Broadridge's dedicated voting website (each as noted on the voting instruction form) to deliver their voting instructions and to vote the common shares held by them. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting. **A Beneficial Shareholder receiving a Broadridge voting instruction form cannot use that form as a proxy to vote common shares directly at the Meeting – the voting instruction form must be returned to Broadridge well in advance of the Meeting in order to have its common shares voted at the Meeting.**

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting common shares registered in the name of his broker (or agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxyholder for the registered shareholder and vote the common shares in that capacity. Beneficial Shareholders who wish

to attend at the Meeting and indirectly vote their common shares as proxyholder for the registered shareholder should enter their own names in the blank space on the instrument of proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

Alternatively, a Beneficial Shareholder may request in writing that his or her broker send to the Beneficial Shareholder a legal proxy which would enable the Beneficial Shareholder to attend at the Meeting and vote his or her common shares.

All references to shareholders in this Information Circular are to registered shareholders, unless specifically stated otherwise.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The Company is authorized to issue an unlimited number of common shares without par value. As of the record date, determined by the Company's board of directors to be the close of business on May 20, 2016, a total of 31,651,382 common shares were issued and outstanding. Each common share carries the right to one vote at the Meeting.

Only registered shareholders as of the record date are entitled to receive notice of, and to attend and vote at, the Meeting or any adjournment or postponement of the Meeting.

To the knowledge of the directors and senior officers of the Company, no person or company beneficially owns, directly or indirectly, or exercises control or direction over, common shares carrying more than 10% of the voting rights attached to the outstanding common shares of the Company, other than as set forth below:

Name of Shareholder	Number of Common Shares Owned	Percentage of Outstanding Common Shares ⁽¹⁾
CDS & Co. (NCI) ⁽²⁾	27,514,590 ⁽²⁾	90.27%

⁽¹⁾ Based on 31,651,382 common shares issued and outstanding as of May 20, 2016. The Company believes that all persons hold legal title and the Company has no knowledge of actual common share ownership.

⁽²⁾ Management of the Company is unaware of the beneficial shareholders of the common shares registered in the name of CDS & CO (NCI).

NUMBER OF DIRECTORS

The Articles of the Company provide for a board of directors of no fewer than three directors and no greater than a number as fixed or changed from time to time by majority approval of the shareholders.

At the Meeting, shareholders will be asked to pass an ordinary resolution to set the number of directors of the Company for the ensuing year at four. The number of directors will be approved if the affirmative vote of the majority of common shares present or represented by proxy at the Meeting and entitled to vote are voted in favour to set the number of directors at three.

Management recommends the approval of the resolution to set the number of directors of the Company at four.

ELECTION OF DIRECTORS

At present, the directors of the Company are elected at each annual general meeting and hold office until the next annual general meeting, or until their successors are duly elected or appointed in accordance with the Company's Articles or until such director's earlier death, resignation or removal. In the absence of instructions to the contrary, the enclosed Form of Proxy will be voted for the nominees listed in the Form of Proxy, all of whom are presently members of the board of directors.

Compensation Discussion and Analysis

Compensation Discussion and Analysis and Compensation Governance

The Company's compensation program is intended to attract, motivate, reward and retain the management talent needed to achieve the Company's business objectives of improving overall corporate performance and creating long-term value for the Company's shareholders. The compensation program is intended to reward executive officers on the basis of individual performance and achievement of corporate objectives, including the advancement of the exploration and development goals of the Company. The Company's current compensation program is comprised of base salary or fees, short term incentives such as discretionary bonuses and long term incentives such as stock options.

The board of directors of the Company (the "Board") has not created or appointed a compensation committee given the Company's current size and stage of development. All tasks related to developing and monitoring the Company's approach to the compensation of the Company's NEOs and directors are performed by the members of the Board. The compensation of the NEOs, directors and the Company's employees or consultants, if any, is reviewed, recommended and approved by the Board without reference to any specific formula or criteria. NEOs that are also directors of the Company are involved in discussion relating to compensation, and disclose their interest in and abstain from voting on compensation decision relating to them, as applicable, in accordance with the applicable corporate legislation.

In making compensation decisions, the Board strives to find a balance between short-term and long-term compensation and cash versus equity incentive compensation. Base salaries or fees and discretionary cash bonuses primarily reward recent performance and incentive stock options encourage NEOs and directors to continue to deliver results over a longer period of time and serve as a retention tool. The annual salary or fee for each NEO, as applicable, is determined by the Board based on the level of responsibility and experience of the individual, the relative importance of the position to the Company, the professional qualifications of the individual and the performance of the individual over time. The NEOs' performances and salaries or fees are to be reviewed periodically. Increases in salary or fees are to be evaluated on an individual basis and are performance and market-based. The amount and award of cash bonuses to key executives and senior management is discretionary, depending on, among other factors, the financial performance of the Company and the position of a participant.

Given the Company's current stage of development, the implications of the risks associated with the Company's compensation policies and practices have not been considered by the Board. Under the Company's compensation policies and practices, NEOs and directors are not prevented from purchasing financial instruments, including prepaid variable forward contracts, equity swaps, collars or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the NEO or director.

During the financial year ended December 31, 2015, the Company accrued management fees and directors' fees to one NEO. The Company does not have any agreements with any NEOs for bonus payments or for the payment of a fee in the event of the resignation or termination of a NEO or a change of control of the Company.

The accrual of \$30,000 in fiscal 2015 to Jason Gigliotti as management fees was determined by the Board to be fair and reasonable given the responsibility and the performance of this NEO and the stage of the Company's development. At this time, the Board has not established any benchmarks or any performance goals that the NEOs must achieve in order to maintain their respective positions as NEOs with the Company. However, the NEOs are expected to carry out their duties in an effective and efficient way and advance the exploration and development goals of the Company. If the Board determines that these duties are not being met, the Board has the ability to replace such NEOs in its discretion.

Share-based and Option-based Awards

The Company regards the strategic use of incentive stock options as a cornerstone of the Company's compensation plan. The Company is committed to long-term incentive programs that promote the continuity of an excellent management team and, therefore, the long-term success of the Company. The Company established a formal plan under which stock options may be granted to directors, officers, employees and consultants as an incentive to serve the Company in attaining its goal of improved shareholder value. It applies to personnel at all levels and continues to be one of the Company's primary tools for attracting, motivating and retaining qualified personnel which is critical to the Company's success. The Board is responsible for administering the Company's stock option plan and determining the type and amount of compensation to be paid to directors, officers, employees and consultants of the Company including the awards of any stock options under a stock option plan. Stock options are typically part of the overall compensation package for executive officers. See

“Particulars of Matters to be Acted Upon – Approval of 10% Rolling Option Plan” for further details regarding the Company’s incentive stock option plan.

All grants of stock options to the NEOs are reviewed and approved by the Board. In evaluating option grants to an NEO, the Board evaluates a number of factors including, but not limited to: (i) the number of options already held by such NEO; (ii) a fair balance between the number of options held by the NEO concerned and the other executives of the Company, in light of their responsibilities and objectives; and (iii) the value of the options (generally determined using a Black-Scholes analysis) as a component in the NEO’s overall compensation package.

AUDIT COMMITTEE DISCLOSURE

National Instrument 52-110 of the Canadian Securities Administrators requires the Company, as a venture issuer, to disclose annually in its Information Circular certain information concerning the constitution of its Audit Committee and its relationship with its independent auditor.

The Audit Committee Charter

The Company has adopted an audit committee charter, a copy of which was filed on SEDAR on July 28, 2010.

Mandate

The primary function of the audit committee (the "Committee") is to assist the Company's board of directors in fulfilling its financial oversight responsibilities by reviewing the financial reports and other financial information provided by the Company to regulatory authorities and shareholders, the Company's systems of internal controls regarding finance and accounting and the Company's auditing, accounting and financial reporting processes. Consistent with this function, the Committee will encourage continuous improvement of, and should foster adherence to, the Company's policies, procedures and practices at all levels. The Committee's primary duties and responsibilities are to:

- serve as an independent and objective party to monitor the Company's financial reporting and internal control system and review the Company's financial statements;
- review and appraise the performance of the Company's external auditors; and
- provide an open avenue of communication among the Company's auditors, financial and senior management and the board of directors.

Composition

The Committee shall be comprised of a minimum three directors as determined by the board of directors. If the Company ceases to be a "venture issuer" (as that term is defined in National Instrument 51-102), then all of the members of the Committee shall be free from any relationship that, in the opinion of the board of directors, would interfere with the exercise of his or her independent judgment as a member of the Committee.

If the Company ceases to be a "venture issuer" (as that term is defined in National Instrument 51-102), then all members of the Committee shall have accounting or related financial management expertise. All members of the Committee that are not financially literate will work towards becoming financially literate to obtain a working familiarity with basic finance and accounting practices. For the purposes of the Company's Audit Committee Charter, the definition of "financially literate" is the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can presumably be expected to be raised by the Company's financial statements.

The members of the Committee shall be elected by the board of directors at its first meeting following the annual shareholders' meeting. Unless a Chair is elected by the full board of directors, the members of the Committee may designate a Chair by a majority vote of the full Committee membership.

Meetings

The Committee shall meet a least twice annually, or more frequently as circumstances dictate. As part of its job to foster open communication, the Committee will meet at least annually with the Chief Financial Officer and the external auditors in separate sessions.

Responsibilities and Duties

To fulfill its responsibilities and duties, the Committee shall:

1. Documents/Reports Review
 - (a) review and update this Audit Committee Charter annually; and
 - (b) review the Company's financial statements, MD&A and any annual and interim earnings press releases before the Company publicly discloses this information and any reports or other financial information (including quarterly financial statements), which are submitted to any governmental body, or to the public, including any certification, report, opinion, or review rendered by the external auditors.
2. External Auditors

 - (c) review and discuss with the external auditors any disclosed relationships or services that may impact the objectivity and independence of the external auditors;
 - (d) take, or recommend that the Company's full board of directors take appropriate action to oversee the independence of the external auditors, including the resolution of disagreements between management and the external auditor regarding financial reporting;
 - (e) recommend to the Company's board of directors the selection and, where applicable, the replacement of the external auditors nominated annually for shareholder approval;
 - (f) recommend to the Company's board of directors the compensation to be paid to the external auditors;
 - (g) at each meeting, consult with the external auditors, without the presence of management, about the quality of the Company's accounting principles, internal controls and the completeness and accuracy of the Company's financial statements;
 - (h) review and approve the Company's hiring policies regarding partners, employees and former partners and employees of the present and former external auditors of the Company;
 - (i) review with management and the external auditors the audit plan for the year-end financial statements and intended template for such statements; and
 - (j) review and pre-approve all audit and audit-related services and the fees and other compensation related thereto, and any non-audit services, provided by the Company's external auditors. The pre-approval requirement is waived with respect to the provision of non-audit services if:
 - (i) the aggregate amount of all such non-audit services provided to the Company constitutes not more than five percent of the total amount of revenues paid by the Company to its external auditors during the fiscal year in which the non-audit services are provided,
 - (ii) such services were not recognized by the Company at the time of the engagement to be non-audit services, and

- (iii) such services are promptly brought to the attention of the Committee by the Company and approved prior to the completion of the audit by the Committee or by one or more members of the Committee who are members of the Board of Directors to whom authority to grant such approvals has been delegated by the Committee.

Provided the pre-approval of the non-audit services is presented to the Committee's first scheduled meeting following such approval such authority may be delegated by the Committee to one or more independent members of the Committee.

3. Financial Reporting Processes

- (a) in consultation with the external auditors, review with management the integrity of the Company's financial reporting process, both internal and external;

In addition, the Board has found that the fiduciary duties placed on individual directors by the Company’s governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director’s participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Increases in salary or fees are to be evaluated on an individual basis and are performance and market-based. The amount and award of cash bonuses to key executives and senior management is discretionary, depending on, among other factors, the financial performance of the Company and the position of a participant. At this time, the Board has not established any benchmarks or any performance goals that the directors and CEO must achieve in order to maintain their respective positions with the Company, although they are expected to carry out their duties in an effective and efficient manner and advance the exploration and development goals of the Company.

Other Board Committees

The board of directors has no other committees other than the Audit Committee.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Except as disclosed elsewhere in this Information Circular, no director or executive officer of the Company who was a director or executive officer since the beginning of the Company's last financial year, each proposed nominee for election as a director of the Company, or any associate or affiliates of any such directors, officers or nominees, has any material interest, direct or indirect, by way of beneficial ownership of common shares or other securities in the Company or otherwise, in any matter to be acted upon at the Meeting other than the election of directors and the grant of options which may be granted to such persons upon the approval of the 10% Rolling Option Plan as discussed below.

PARTICULARS OF MATTERS TO BE ACTED UPON

Approval of 10% Rolling Option Plan

At the Meeting, the shareholders will be asked to re-approve the Company's 10% Rolling Option Plan.

The purpose of the 10% Rolling Option Plan is to provide the directors, officers and key employees of, and certain other persons who provide services to, the Company and its subsidiaries with an opportunity to purchase shares of the Company and benefit from any appreciation in the value of the Company's shares. This will provide an increased incentive for these individuals to contribute to the future success and prosperity of the Company, thus enhancing the value of the Company's shares for the benefit of all the shareholders and increasing the ability of the Company and its subsidiaries to attract and retain skilled and motivated individuals in the service of the Company.

The 10% Rolling Option Plan is a "rolling" plan that provides that the aggregate number of shares reserved for issuance under it, and all of the Company's other previously established and outstanding stock option plans or grants, is 10% of the Company's issued common shares at the time of the grant of a stock option under the proposed 10% Rolling Option Plan.

Directors, officers, employees and consultants of the Company are eligible to be granted stock options pursuant to the 10% Rolling Option Plan. The number of shares subject to stock options granted to participants, other than consultants and employees conducting investor relations activities shall be determined by the Board, but no participant, where the Company is listed on any stock exchange, shall be granted a stock options to acquire a number of shares which exceeds the maximum number of shares permitted under any stock exchange on which the common shares are then listed or other regulatory body having jurisdiction. Under current TSX Venture Exchange (the "Exchange") policies, the maximum number of shares is presently an amount equal to 5% of the then issued and outstanding shares of the Company (on a non-diluted basis) in any 12 month period. The maximum number of shares subject to a stock option to a participant who is a consultant is presently limited to an amount equal to 2% of the then issued and outstanding shares of the Company (on a non-diluted basis) in any 12 month period. The number of stock options granted to all persons in aggregate who are employed to perform investor relations activities is presently limited to an amount equal to 2% of the then issued and outstanding shares of the Company (on a non-diluted basis) in any 12 month period, provided that such stock options vest in stages over a 12 month period with no more than 1/4 of the stock options vesting in any 3 month period.

Under the 10% Rolling Option Plan, the option exercise price must not be less than the closing price of the common shares on the Exchange on the day immediately preceding the date of grant, less the applicable discount permitted by the policies of the Exchange. An option granted under the 10% Rolling Option Plan must be exercised within a period of ten years from the date of granting. Within this ten-year period, the board of directors of the Company may determine the limitation period during which an option may be exercised and, notwithstanding that none is required by the policies of the Exchange because the 10% Rolling Option Plan is a "rolling" plan, whether a particular grant will have a minimum vesting period. As a "rolling" plan, any amendment to the 10% Rolling Option Plan will require the approval of the Exchange and may require shareholder approval or disinterested shareholder approval, as applicable.

If a participant ceases to be a director, officer, employee or consultant of the Company or a participant who is engaged in investor relations activity on behalf of the Company as the case may be, for any reason (other than death), they may no longer their stock option after the date of cessation. If a participant ceases to be one type of participant (i.e., director, officer, employee, management company employee, or consultant, or a company 100% beneficially owned by one of them) but concurrently is or becomes one or more other type of participant, the stock option will not terminate but will continue in full force and effect and the participant may exercise the stock option until the earlier of (i) the expiry date and (ii) the applicable date their option terminates based on the reason for the participant ceasing to be the particular type of participant. A participant will not be affected by any change of the participant's employment where the participant continues to be employed by the Company or any subsidiary of the Company. Nothing contained in the 10% Rolling Option Plan, nor in any stock option granted pursuant to the 10% Rolling Option Plan, confers upon any participant any right with respect to continuance as a director, officer, employee or consultant of the Company or of any affiliate. In the event of the death of a participant, the stock options previously granted to them shall be exercisable only within the 12 months next succeeding such death and then only: by the person or persons to whom the participant's rights under the stock option shall pass by the participant's will or the laws of descent and distribution; and if and to the extent that they were entitled to exercise the stock option at the date of his death.

In accordance with the terms of the 10% Rolling Option Plan, it is subject to its acceptance for filing by the Exchange and an annual re-approval by the Company's shareholders. Under the policies of the Exchange, if the grants of options under the 10% Rolling Option Plan to "insiders" of the Company, together with all of the Company's outstanding stock options, could result at any time in:

- a) the number of shares reserved for issuance pursuant to stock options granted to insiders of the Company exceeding 10% of the issued common shares of the Company; or
- b) the grant to insiders of the Company, within a 12-month period, of a number of options exceeding 10% of the issued common shares of the Company;

such shareholder approval must be "disinterested shareholder approval".

The policies of the Exchange and the terms of the 10% Rolling Option Plan also provide that "disinterested shareholder approval" will be required for any agreement to decrease the exercise price of options previously granted to insiders of the Company but no such agreements are being brought before the Meeting.

The term "disinterested shareholder approval" means approval by a majority of the votes cast at the Meeting other than votes attaching to shares of the Company beneficially owned by insiders of the Company to whom options may be granted

under the proposed 10% Rolling Option Plan and associates of such persons. The term “insiders” is defined in the *Securities Act* (British Columbia) and generally includes directors and senior officers of the Company and its subsidiaries, the five highest paid employees and holders of greater than 10% of the voting securities of the Company. The term “associates” is defined in the *Securities Act* (British Columbia).

If shareholder approval of the 10% Rolling Option Plan or a modified version thereof is not obtained, the Company will not continue to implement the 10% Rolling Option Plan nor grant options under it. Even if approved, the directors may determine not to proceed with the 10% Rolling Option Plan.

The 10% Rolling Option Plan will be available for inspection at the Meeting. The directors recommend that the shareholders re-approve the 10% Rolling Option Plan.

Accordingly, the shareholders of the Company will be asked at the Meeting to pass an ordinary resolution, the text of which will be in substantially the following form:

“Resolved, as an ordinary resolution, that:

1. the Company’s 10% rolling stock option plan (the “10% Rolling Option Plan”) as described in the Information Circular dated May 26, 2016 be and is hereby ratified, approved and confirmed including the reserving for issuance under the 10% Rolling Option Plan at any time of a maximum of 10% of the issued and outstanding shares of the Company, subject to any amendments that may be required by the TSX Venture Exchange;
2. the Company be authorized to abandon or terminate all or any part of the 10% Rolling Option Plan if the board of directors of the Company deems it appropriate and in the best interests of the Company to do so;
3. the Company be and is hereby authorized to grant options pursuant and subject to the terms and conditions of the 10% Rolling Option Plan;
4. the Company be and is hereby, at the discretion of the board of directors, to amend the exercise price of previously granted option agreements, without further approval by the shareholders, all in accordance with the policies of the TSX Venture Exchange; and
5. any one or more of the directors and officers of the Company be authorized and directed to perform all such acts, deeds and things and execute, under the seal of the Company or otherwise, all such documents and other writings, including treasury orders, stock exchange and securities commissions forms, as may be required to give effect to the true intent of this resolution.”

Management recommends the approval of the resolution to approve the 10% Rolling Stock Option Plan.
