Accompanying this Notice are a Management Information Circular (the "**Circular**") and form of proxy. The Circular provides additional information relating to the matters to be dealt with at the Meeting and forms part of this Notice.

The Company has decided to take advantage of the notice-and-access model provided for under amendments to National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("**Notice and Access**") for the delivery of the Circular, the Company's audited financial statements and the Management's Discussion & Analysis for the financial year ended December 31, 2017 (collectively, the "**Meeting Materials**"), to its shareholders in respect of the Meeting.

Under Notice and Access, instead of receiving paper copies of the Circular, shareholders will be receiving a notice with information on how they may access the Meeting Materials electronically. However, shareholders will receive a proxy or voting instruction form, as applicable, enabling them to vote at the Meeting. The use of this alternative means of delivery is more environmentally friendly, as it will help reduce paper use and it will also reduce the Company's printing and mailing costs.

The Meeting Materials will be available on the Company's website at www.siennaresourcesinc.com as of October 10, 2018 and will remain on the website for one full year thereafter. Meeting materials are also available upon request, **without charge**, by e-mail at 701admin@telus.net or by calling toll-free at 1-855-646-6901 (in North America) or at +1-604-646-6900 (outside North America), or can be accessed online on SEDAR at www.sedar.com as of October 10, 2018.

The Company will mail paper copies of the Meeting Materials to those registered and beneficial shareholders who have previously elected to receive paper copies of the Company's Meeting Materials. All other shareholders will receive a Notice and Access notification, which will contain information on how they may access the Meeting Materials electronically in advance of the Meeting.

The Company's board of directors has fixed October 5, 2018 as the record date for the determination of shareholders entitled to notice of and to vote at the Meeting or at any adjournment or postponement thereof. Each registered shareholder at the close of business on that date is entitled to such notice and to vote at the Meeting in the circumstances set out in the accompanying Circular.

Registered shareholders are entitled to vote at the Meeting in person or by proxy. Registered shareholders who are unable to attend the Meeting, or any adjournment thereof, in person, are requested to read, complete, sign and return the form of proxy

accompanying this Notice in accordance with the instructions set out in the form of proxy and in the Circular accompanying this Notice. Unregistered shareholders who received the form of proxy accompanying this Notice through an intermediary must deliver the proxy in accordance with the instructions given by such intermediary.

DATED at Vancouver, British Columbia, as of this 5th day of October, 2018.

INTRODUCTION

This Management Information Circular (the "**Circular**") accompanies the Notice of Annual General Meeting (the "**Notice**") and is furnished to shareholders holding common shares in the capital of Sienna Resources Inc. (the "**Company**" or "**Sienna**") in connection with the solicitation by the management of the Company of proxies to be voted at the annual general meeting (the "**Meeting**") of the shareholders to be held at the offices of Clark Wilson LLP, 900 – 885 West Georgia Street, Vancouver, British Columbia, on Tuesday, November 20, 2018 at 10:00 a.m. (Pacific time), or at any adjournment or postponement thereof.

The Record Date and Currency

Only Shareholders of record at the close of business (Pacific time) on Friday, October 5, 2018 (the "**Record Date**") will be entitled to receive Notice of and vote at the Meeting, or any adjournment or postponement thereof. Unless otherwise stated, all amounts herein are in Canadian dollars.

PROXIES AND VOTING RIGHTS

Management Solicitation

The solicitation of proxies by the Company will be conducted by mail and may be supplemented by telephone or other personal contact to be made without special compensation by the directors, officers and employees of the Company. The Company does not reimburse shareholders, nominees or agents for costs incurred in obtaining from their principals authorization to execute forms of proxy, except that the Company has requested brokers and nominees who hold stock in their respective names to furnish this proxy material to their customers, and the Company will reimburse such brokers and nominees for their related out of pocket expenses. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Company.

No person has been authorized to give any information or to make any representation other than as contained in this Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by the Company. The delivery of this Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Circular. This Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

Notice and Access Process

The Company has decided to use the notice and access model ("**Notice and Access**") provided for under recent amendments to NI 54-101 for the delivery of the Circular, audited financial statements and Management's Discussion and Analysis for the financial year ended December 31, 2017 (collectively, the "**Meeting Materials**") to shareholders for the Meeting. The Company has adopted this alternative means of delivery in order to further its commitment to environmental sustainability and to reduce its printing and mailing costs.

Under Notice and Access, instead of receiving printed copies of the Meeting Materials, shareholders receive a Notice with information on the Meeting date, location and purpose, as well as information on how they may access the Meeting Materials electronically.

Shareholders with existing instructions on their account to receive printed materials and those shareholders with addresses outside of Canada and the United States will receive a printed copy of the Meeting Materials with the Notice.

Appointment of Proxyholder

The purpose of a proxy is to designate persons who will vote the proxy on a Shareholder's behalf in accordance with the instructions given by the Shareholder in the proxy. The persons whose names are printed on the form of proxy are officers or directors of the Company (the "**Management Proxyholders**").

A Shareholder has the right to appoint a person other than a Management Proxyholder, to represent the Shareholder at the Meeting by striking out the names of the Management Proxyholders and by inserting the desired person's name in the blank space provided or by executing a proxy in a form similar to the form as mailed. A proxyholder need not be a Shareholder.

Voting by Proxy

Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Sienna Shares represented by a properly executed proxy will be voted or be withheld from voting on each matter referred to in the Notice of Meeting in accordance with the instructions of the Shareholder on any ballot that may be called for and if the Shareholder specifies a choice with respect to any matter to be acted upon, the shares will be voted accordingly.

If a Shareholder does not specify a choice and the Shareholder has appointed one of the Management Proxyholders as proxyholder, the Management Proxyholder will vote in favour of the matters specified in the Notice of Meeting and in favour of all other matters proposed by management at the Meeting.

The form of proxy also gives discretionary authority to the person named therein as proxyholder with respect to amendments or variations to matters identified in the Notice of the Meeting and with respect to other matters which may properly come before the Meeting. At the date of this Circular, management of the Company knows of no such amendments, variations or other matters to come before the Meeting.

Completion and Return of Proxy

Completed form of proxy must be deposited at the office of the Company's registrar and transfer agent, Computershare Investor Services Inc. (the "**Transfer Agent**") at 100 University Avenue, 8th Floor, Toronto, Ontario M5J 2Y1, Attention: Proxy Department, before 10:00 a.m. (Pacific time), on November 16, 2018, or no later than 48 hours (excluding Saturdays, Sundays and holidays) before any adjournment or postponement of the Meeting, unless the chairman of the Meeting elects to exercise his discretion to accept proxies received subsequently.

Non-Registered Holders

Only shareholders whose names appear on the records of the Company as the registered holders of Sienna Shares or duly appointed proxyholders are permitted to vote at the Meeting. Most shareholders are "non-registered" shareholders because the shares they own are not registered in their names but instead registered in the name of a nominee such as brokerage firm through which they purchased the shares; bank, trust company, trustee or administrator of self-administered RRSPs, RRFs, RESPs and similar plans; or a clearing agency such as The Canadian Depository for Securities Limited (a "**Nominee**"). If you purchased your shares through a broker, you are likely a non-registered holder.

In accordance with securities regulatory policy, the Company has distributed copies of the notice-and-access notice and form of proxy to the Nominees for distribution to non-registered holders.

Nominees are required to forward the Meeting materials to non-registered holders to seek their voting instructions in advance of the Meeting. Sienna Shares held by Nominees can only be voted in accordance with the instructions of the non-registered holder. The Nominees often have their own form of proxy, mailing procedures and provide their own return instructions. If you wish to vote by proxy, you should carefully follow the instructions from the Nominee in order that your shares are voted at the Meeting.

If you, as a non-registered holder, wish to vote at the Meeting in person, you should appoint yourself as proxyholder by writing your name in the space provided on the request for voting instructions or proxy provided by the Nominee and return

the form to the Nominee in the envelope provided. Do not complete the voting section of the form as your vote will be taken at the Meeting.

Non-registered holders who have not objected to their Nominee disclosing certain ownership information about themselves to the Company are referred to as “non-objecting beneficial owners” (“**NOBOs**”). Those non-registered holders who have objected to their Nominee disclosing ownership information about themselves to the Company are referred to as “objecting beneficial owners” (“**OBOs**”).

The Company is not sending the Meeting materials directly to NOBOs in connection with the Meeting, but rather has distributed copies of the Meeting materials to the Nominees for distribution to NOBOs.

The Company does not intend to pay for Nominees to deliver the Meeting materials and Form 54-101F7 – *Request for Voting Instructions Made by Intermediary* to OBOs. As a result, OBOs will not receive the Meeting materials unless their Nominee assumes the costs of delivery.

Revocability of Proxy

In addition to revocation in any other manner permitted by law, a Shareholder, his or her attorney authorized in writing or, if the Shareholder is a corporation, a corporation under its corporate seal or by an officer or attorney thereof duly authorized, may revoke a proxy by instrument in writing, including a proxy bearing a later date. The instrument revoking the proxy must be deposited at the registered office of the Company at any time up to and including the last Business Day preceding the date of the Meeting, or any adjournment or postponement thereof, or with the chairman of the Meeting on the day of the Meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The Company is authorized to issue an unlimited number of common shares without par value (“**Sienna Shares**”), of which 53,156,382 Sienna Shares were issued and outstanding as of the Record Date. Persons who are registered Shareholders at the close of business on the Record Date will be entitled to receive Notice of and vote at the Meeting and will be entitled to one vote for each Sienna Share held. The Company has only one class of shares issued and outstanding.

To the knowledge of the directors and executive officers of the Company, no person or company beneficially owns, controls or directs, directly or indirectly, Sienna Shares carrying 10% or more of the voting rights attached to the outstanding common shares of the Company.

NUMBER OF DIRECTORS

The Articles of the Company provide for a board of directors of no fewer than three directors and no greater than a number as fixed or changed from time to time by majority approval of the shareholders.

At the Meeting, shareholders will be asked to pass an ordinary resolution to set the number of directors of the Company until the next annual meeting. The number of directors will be approved if the affirmative vote of the majority of common shares present or represented by proxy at the Meeting and entitled to vote are voted in favour to set the number of directors at four.

Management recommends the approval of the resolution to set the number of directors of the Company at four.

ELECTION OF DIRECTORS

The Company currently has four (4) directors and all of these directors are standing for re-election. The directors of the Company are elected at each annual general meeting and hold office until the next annual meeting, or until their successors are duly elected or appointed in accordance with the Company’s Articles or until such director’s earlier death, resignation or removal. In the absence of instructions to the contrary, the proxy will be voted for the nominees herein listed.

The Company does not have an executive committee and is required to have an audit committee (the “**Audit Committee**”). Members of the Audit Committee are as set out below.

Oversight and Description of Director and NEO Compensation

The Company’s compensation program is intended to attract, motivate, reward and retain the management talent needed to achieve the Company’s business objectives of improving overall corporate performance and creating long-term value for the Company’s shareholders. The compensation program is intended to reward executive officers on the basis of individual performance and achievement of corporate objectives, including the advancement of the exploration and development goals of the Company. The Company’s current compensation program is comprised of base salary or fees, short term incentives such as discretionary bonuses and long term incentives such as stock options.

The Company’s board of directors (the “**Board**”) has not created or appointed a compensation committee given the Company’s current size and stage of development. All tasks related to developing and monitoring the Company’s approach to the compensation of the Company’s NEOs and directors are performed by the members of the Board. The compensation of the NEOs, directors and the Company’s employees or consultants, if any, is reviewed, recommended and approved by the Board without reference to any specific formula or criteria. NEOs that are also directors of the Company are involved in discussion relating to compensation, and disclose their interest in and abstain from voting on compensation decisions relating to them, as applicable, in accordance with the applicable corporate legislation.

In making compensation decisions, the Board strives to find a balance between short-term and long-term compensation and cash versus equity incentive compensation. Base salaries or fees and discretionary cash bonuses primarily reward recent performance and incentive stock options encourage NEOs and directors to continue to deliver results over a longer period of time and serve as a retention tool. The annual salary or fee for each NEO, as applicable, is determined by the Board based on the level of responsibility and experience of the individual, the relative importance of the position to the Company, the professional qualifications of the individual and the performance of the individual over time. The NEOs' performances and salaries or fees are to be reviewed periodically. Increases in salary or fees are to be evaluated on an individual basis and are performance and market-based. The amount and award of cash bonuses to key executives and senior management is discretionary, depending on, among other factors, the financial performance of the Company and the position of a participant.

Pension Plan Benefits

The Company does not have any pension, defined benefit, defined contribution or deferred compensation plans in place.

Mandate

The primary function of the Audit Committee is to assist the Company's Board in fulfilling its financial oversight responsibilities by reviewing the financial reports and other financial information provided by the Company to regulatory authorities and shareholders, the Company's systems of internal controls regarding finance and accounting and the Company's auditing, accounting and financial reporting processes. Consistent with this function, the Audit Committee will encourage continuous improvement of, and should foster adherence to, the Company's policies, procedures and practices at all levels. The Audit Committee's primary duties and responsibilities are to:

- serve as an independent and objective party to monitor the Company's financial reporting and internal control system and review the Company's financial statements;
- review and appraise the performance of the Company's external auditors; and
- provide an open avenue of communication among the Company's auditors, financial and senior management and the Board.

Composition

The Audit Committee shall be comprised of a minimum three directors as determined by the Board. If the Company ceases to be a "venture issuer" (as that term is defined in National Instrument 51-102), then all of the members of the Audit Committee shall be free from any relationship that, in the opinion of the Board, would interfere with the exercise of his or her independent judgment as a member of the Audit Committee.

If the Company ceases to be a "venture issuer" (as that term is defined in National Instrument 51-102), then all members of the Audit Committee shall have accounting or related financial management expertise. All members of the Audit Committee that are not financially literate will work towards becoming financially literate to obtain a working familiarity with basic finance and accounting practices. For the purposes of the Company's Audit Committee Charter, the definition of "financially literate" is the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can presumably be expected to be raised by the Company's financial statements.

The members of the Audit Committee shall be elected by the Board at its first meeting following the annual shareholders' meeting. Unless a Chair is elected by the full board of directors, the members of the Audit Committee may designate a Chair by a majority vote of the full Audit Committee membership.

Meetings

The Audit Committee shall meet a least twice annually, or more frequently as circumstances dictate. As part of its job to foster open communication, the Audit Committee will meet at least annually with the CFO and the external auditors in separate sessions.

Responsibilities and Duties

To fulfill its responsibilities and duties, the Audit Committee shall:

1. Documents/Reports Review

- (a) review and update this Audit Committee Charter annually; and
- (b) review the Company's financial statements, MD&A and any annual and interim earnings press releases before the Company publicly discloses this information and any reports or other financial information (including quarterly financial statements), which are submitted to any governmental body, or to the public, including any certification, report, opinion, or review rendered by the external auditors.

2. External Auditors

- (a) review annually, the performance of the external auditors who shall be ultimately accountable to the Company's Board and the Audit Committee as representatives of the shareholders of the Company;

- (e) recommend to the Company's Board the selection and, where applicable, the replacement of the external auditors nominated annually for shareholder approval;
- (f) recommend to the Company's Board the compensation to be paid to the external auditors;
- (g) at each meeting, consult with the external auditors, without the presence of management, about the quality of the Company's accounting principles, internal controls and the completeness and accuracy of the Company's financial statements;

- (i) review with management and the external auditors the audit plan for the year-end financial statements and intended template for such statements; and
- (j) review and pre-approve all audit and audit-related services and the fees and other compensation related thereto, and any non-audit services, provided by the Company's external auditors. The pre-approval requirement is waived with respect to the provision of non-audit services if:
 - (i) the aggregate amount of all such non-audit services provided to the Company constitutes not more than five percent of the total amount of revenues paid by the Company to its external auditors during the fiscal year in which the non-audit services are provided,
 - (ii) such services were not recognized by the Company at the time of the engagement to be non-audit services, and
 - (iii) such services are promptly brought to the attention of the Audit Committee by the Company and approved prior to the completion of the audit by the Audit Committee or by one or more members of the Audit Committee who are members of the Board to whom authority to grant such approvals has been delegated by the Audit Committee.

Provided the pre-approval of the non-audit services is presented to the Audit Committee's first scheduled meeting following such approval such authority may be delegated by the Audit Committee to one or more independent members of the Audit Committee.

3. Financial Reporting Processes

- (a) in consultation with the external auditors, review with management the integrity of the Company's financial reporting process, both internal and external;
- (b) consider the external auditors' judgments about the quality and appropriateness of the Company's accounting principles as applied in its financial reporting;
- (c) consider and approve, if appropriate, changes to the Company's auditing and accounting principles and practices as suggested by the external auditors and management;
- (d) review significant judgments made by management in the preparation of the financial statements and the view of the external auditors as to appropriateness of such judgments;
- (e) following completion of the annual audit, review separately with management and the external auditors any significant difficulties encountered during the course of the audit, including any restrictions on the scope of work or access to required information;

4. Other

The Company's Audit Committee is comprised of three directors consisting of Gregory Thomson, John Masters and Jason Gigliotti. All of the Audit Committee members are "financially literate", as defined in National Instrument 52-110, as all have the industry experience necessary to understand and analyze financial statements of the Company, as well as the understanding of internal controls and procedures necessary for financial reporting.

The Audit Committee is responsible for review of both interim and annual financial statements for the Company. For the purposes of performing their duties, the members of the Audit Committee have the right at all times, to inspect all the books and financial records of the Company and any subsidiaries and to discuss with management and the external auditors of the Company any accounts, records and matters relating to the financial statements of the Company. Gregory Thomson, Dennis Alderink and John Masters are "independent" in that they are independent and free from any interest and any business or other relationship which could or could reasonably be perceived to, materially interfere with the director's ability to act with the best interests of the Company, other than the interests and relationships arising from shareholders. Jason Gigliotti is the President and CEO of the Company and is therefore not independent.

Directorships

Name of Director of the Company	Names of Other Reporting Issuers
Jason Gigliotti	None
John Masters	Infinite Lithium Corp. (formerly Alix Resources Corp.) Sunvest Minerals Corp. Pivit Exploration Inc.
Gregory Thomson	Cruz Cobalt Corp. Makena Resources Inc. Spearmint Resources Inc.
Dennis Alderink	Spearmint Resources Inc.

Orientation and Continuing Education

The Board of the Company briefs all new directors with respect to the policies of the Board and other relevant corporate and business information. The Board does not provide any continuing education.

Ethical Business Conduct

The Board has adopted a Code of Business Conduct and Ethics on March 18, 2009, a copy of which was filed on SEDAR on July 28, 2010. In addition, the Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Nomination of Directors

The Board is responsible for identifying individuals qualified to become new Board members and recommending to the Board new director nominees for the next annual meeting of shareholders.

New nominees must have a track record in general business management, special expertise in an area of strategic interest to the Company, the ability to devote the required time, show support for the Company's mission and strategic objectives, and a willingness to serve.

Compensation

The Board conducts reviews with regard to the compensation of the directors and CEO once a year. The compensation of directors and the CEO is reviewed, recommended and approved by the Board without reference to any specific formula or criteria. In making compensation decisions, the Board strives to find a balance between short-term and long-term compensation and cash versus equity incentive compensation. Increases in salary or fees are to be evaluated on an individual basis and are performance and market-based. The amount and award of cash bonuses to key executives and senior management is discretionary, depending on, among other factors, the financial performance of the Company and the position of a participant. At this time, the Board has not established any benchmarks or any performance goals that the directors and CEO must achieve in order to maintain their respective positions with the Company, although they are expected to carry out their duties in an effective and efficient manner and advance the exploration and development goals of the Company.

Other Board Committees

The Board has no other committees other than the Audit Committee.

Assessments

The Board regularly monitors the adequacy of information given to directors, communications between the Board and management and the strategic direction and processes of the Board and its committees.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Except as disclosed elsewhere in this Circular, no director or executive officer of the Company who was a director or executive officer since the beginning of the Company's last financial year, each proposed nominee for election as a director of the Company, or any associate or affiliates of any such directors, officers or nominees, has any material interest, direct or indirect, by way of beneficial ownership of common shares or other securities in the Company or otherwise, in any matter to be acted upon at the Meeting other than the election of directors and the grant of options which may be granted to such persons upon the approval of the 10% Rolling Option Plan as discussed below.

PARTICULARS OF MATTERS TO BE ACTED UPON

Approval of 10% Rolling Option Plan

At the Meeting, the shareholders will be asked to re-approve the Company's 10% Rolling Option Plan.

The purpose of the 10% Rolling Option Plan is to provide the directors, officers and key employees of, and certain other persons who provide services to, the Company and its subsidiaries with an opportunity to purchase shares of the Company and benefit from any appreciation in the value of Sienna Shares. This will provide an increased incentive for these individuals to contribute to the future success and prosperity of the Company, thus enhancing the value of Sienna Shares for the benefit of all the shareholders and increasing the ability of the Company and its subsidiaries to attract and retain skilled and motivated individuals in the service of the Company.

The 10% Rolling Option Plan is a "rolling" plan that provides that the aggregate number of shares reserved for issuance under it, and all of the Company's other previously established and outstanding stock option plans or grants, is 10% of the Company's issued common shares at the time of the grant of a stock option under the proposed 10% Rolling Option Plan. Directors, officers, employees and consultants of the Company are eligible to be granted stock options pursuant to the 10% Rolling Option Plan. The number of shares subject to stock options granted to participants, other than consultants and employees conducting investor relations activities shall be determined by the Board, but no participant, where the Company is listed on any stock exchange, shall be granted a stock options to acquire a number of shares which exceeds the maximum number of shares permitted under any stock exchange on which the common shares are then listed or other regulatory body having jurisdiction. Under current Exchange policies, the maximum number of shares is presently an amount equal to 5% of the then issued and outstanding shares of the Company (on a non-diluted basis) in any 12 month period. The maximum number of shares subject to a stock option to a participant who is a consultant is presently limited to an amount equal to 2% of the then issued and outstanding shares of the Company (on a non-diluted basis) in any 12 month period. The number of stock options granted to all persons in aggregate who are employed to perform investor relations activities is presently limited to an amount equal to 2% of the then issued and outstanding shares of the Company (on a non-diluted basis) in any 12 month period, provided that such stock options vest in stages over a 12 month period with no more than 1/4 of the stock options vesting in any 3 month period.

Under the 10% Rolling Option Plan, the option exercise price must not be less than the closing price of the common shares on the Exchange on the day immediately preceding the date of grant, less the applicable discount permitted by the policies of the Exchange. An option granted under the 10% Rolling Option Plan must be exercised within a period of ten years from the date of granting. Within this ten-year period, the Board of the Company may determine the limitation period during which an option may be exercised and, notwithstanding that none is required by the policies of the Exchange because the 10% Rolling Option Plan is a "rolling" plan, whether a particular grant will have a minimum vesting period. As a "rolling" plan, any amendment to the 10% Rolling Option Plan will require the approval of the Exchange and may require shareholder approval or disinterested shareholder approval, as applicable.

If a participant ceases to be a director, officer, employee or consultant of the Company or a participant who is engaged in investor relations activity on behalf of the Company as the case may be, for any reason (other than death), they may no longer their stock option after the date of cessation. If a participant ceases to be one type of participant (i.e., director, officer, employee, management company employee, or consultant, or a company 100% beneficially owned by one of them) but concurrently is or becomes one or more other type of participant, the stock option will not terminate but will continue in full force and effect and the participant may exercise the stock option until the earlier of (i) the expiry date and (ii) the applicable date their option terminates based on the reason for the participant ceasing to be the particular type of participant. A participant will not be affected by any change of the participant's employment where the participant continues to be employed by the Company or any subsidiary of the Company. Nothing contained in the 10% Rolling Option Plan, nor in any stock option granted pursuant to the 10% Rolling Option Plan, confers upon any participant any right with respect to continuance as a director, officer, employee or consultant of the Company or of any affiliate. In the event of the death of a participant, the stock options previously granted to them shall be exercisable only within the 12 months next succeeding such death and then only: by the person or persons to whom the participant's rights under the stock option shall pass by the participant's will or the laws of descent and distribution; and if and to the extent that they were entitled to exercise the stock option at the date of his death.

In accordance with the terms of the 10% Rolling Option Plan, it is subject to its acceptance for filing by the Exchange and an annual re-approval by the Company's shareholders. Under the policies of the Exchange, if the grants of options under the 10% Rolling Option Plan to "insiders" of the Company, together with all of the Company's outstanding stock options, could result at any time in:

- a) the number of shares reserved for issuance pursuant to stock options granted to insiders of the Company exceeding 10% of the issued common shares of the Company; or
- b) the grant to insiders of the Company, within a 12-month period, of a number of options exceeding 10% of the issued common shares of the Company;

such shareholder approval must be "disinterested shareholder approval".

The policies of the Exchange and the terms of the 10% Rolling Option Plan also provide that "disinterested shareholder approval" will be required for any agreement to decrease the exercise price of options previously granted to insiders of the Company but no such agreements are being brought before the Meeting.

The term "disinterested shareholder approval" means approval by a majority of the votes cast at the Meeting other than votes attaching to shares of the Company beneficially owned by insiders of the Company to whom options may be granted under the proposed 10% Rolling Option Plan and associates of such persons. The term "insiders" is defined in the *Securities Act* (British Columbia) and generally includes directors and senior officers of the Company and its subsidiaries, the five highest paid employees and holders of greater than 10% of the voting securities of the Company. The term "associates" is defined in the *Securities Act* (British Columbia).

If shareholder approval of the 10% Rolling Option Plan or a modified version thereof is not obtained, the Company will not continue to implement the 10% Rolling Option Plan nor grant options under it. Even if approved, the directors may determine not to proceed with the 10% Rolling Option Plan.

The 10% Rolling Option Plan will be available for inspection at the Meeting. The directors recommend that the shareholders re-approve the 10% Rolling Option Plan.

Accordingly, the shareholders of the Company will be asked at the Meeting to pass an ordinary resolution, the text of which will be in substantially the following form:

"Resolved, as an ordinary resolution, that:

1. the Company's 10% Rolling Option Plan as described in the Circular dated October 5, 2018 be and is hereby ratified, approved and confirmed including the reserving for issuance under the 10% Rolling Option Plan at any time of a maximum of 10% of the issued and outstanding shares of the Company, subject to any amendments that may be required by the Exchange;

2. the Company be authorized to abandon or terminate all or any part of the 10% Rolling Option Plan if the Board of the Company deems it appropriate and in the best interests of the Company to do so;
3. the Company be and is hereby authorized to grant options pursuant and subject to the terms and conditions of the 10% Rolling Option Plan;
4. the Company be and is hereby authorized, at the discretion of the Board, to amend the exercise price of previously granted option agreements, without further approval by the shareholders, all in accordance with the policies of the Exchange; and
5. any one or more of the directors and officers of the Company be authorized and directed to perform all such acts, deeds and things and execute, under the seal of the Company or otherwise, all such documents and other writings, including treasury orders, stock exchange and securities commissions forms, as may be required to give effect to the true intent of this resolution.”

Management recommends the approval of the resolution to approve the 10% Rolling Option Plan.
